Privacy policy

Version 07/2023

Welcome to the website of our dental practice. The following privacy policy applies to the use of our website and the services offered on it. This privacy policy informs you about the collection of personal data during your visit to this website.

The collection and processing of your personal data is carried out in compliance with the applicable data protection laws and requirements.

In principle, our dental practice only offers its services in Switzerland and is only aimed at persons resident in Switzerland.

Collection of general data and information

Each time the website is called up, a series of general data and information is collected. This general data and information is stored in the server's log files. The following data may be collected: (1) the browser types and versions used, (2) the operating system used by the accessing system, (3) the website from which an accessing system accesses our website (so-called referrer), (4) the sub-websites that are accessed via an accessing system on our website, (5) the date and time of an access to the website, (6) an Internet protocol address (IP address), (7) the Internet service provider of the accessing system and (8) other similar data and information that serve to avert danger in the event of attacks on our IT infrastructure.

This data and information is needed to (1) display the content of our website correctly, (2) optimise the content of our website, (3) ensure the long-term functionality of our IT infrastructure and the technology of our website, and (4) provide the necessary information to law enforcement authorities in the event of a cyber attack.

Furthermore, our dental practice can evaluate this data and information on the one hand statistically and on the other hand with the aim of increasing the data protection and data security of its IT infrastructure. The collected data and information are only processed for the purposes just mentioned and are subsequently deleted.

Links from other websites

This website may contain links to websites of other providers. Our dental practice has no influence on these websites, their content, offers or availability or the data protection declarations and provisions applicable there. It therefore disclaims any liability.

Cookies

Our dental practice uses cookies on its website. Cookies contain a so-called cookie ID, a unique identifier of the cookie, which assigns websites and servers to a specific internet browser. A specific internet browser can be recognised and identified via this unique cookie ID.

Such information about the use of this website (including your IP address) may, for example, in the case of Google Analytics, be transmitted to servers abroad and stored there.

Communication options

The website of our dental practice contains certain information that enables fast electronic contact as well as direct communication, which also includes a general e-mail address. If you contact us via the communication options offered on our website, your contact details and content will only be used to process and respond to your enquiry.

Please note: It cannot be guaranteed that your data will be transmitted confidentially. Therefore, no confidential data (medical concerns, etc.) should be transmitted when making this contact.

Your rights

Based on the Data Protection Act, you have various rights such as the right to information. To exercise your rights, please contact the dental practice. We are at your disposal for further information in this regard.

Changes

Our dental practice may amend this privacy policy at any time without prior notice. The current version published on our website will apply. Insofar as the data protection declaration is part of a contract with you, we will inform you of the change by e-mail or other suitable means in the event of an update.
